MK school	1	2	3

[For Women] What type of environment are you comfortable working in?

(put an "X" next to the context descriptions that you are willing to minister in)

- You will need to stay home with your family and can't interact with men.
- You will have freedom in your community, but need to wear a head covering and long dress.
- You will have freedom in your community to do as you want, but in ministry you will be limited to working with women and kids.
- You will have freedom in your community to do as you want and in ministry will have more open opportunities to serve and lead.

List other languages spoken (if any), and rate your level of fluency:

1 = beginner 2=conversational 3=fluent

1. _____

With Whom?

Would you like to work with a team or by yourself? _____

If you had to work with a team, where would you be on the team spectrum?

Very close team that does life and ministry together. Could possibly live together.

A team where people have their own roles and meet once or twice a week.

Healthy teams have people who play different roles. Below are 9 different roles on a team. Which of these roles do you typically take? Put an X next to the 2 roles that you often take.

X	Team Role	Contribution
	Implementer	Well-organized and predictable. Takes basic ideas and makes them work in practice.
	Shaper	Lots of energy and action. Challenging others to move forward.
	Completer/Finisher	Reliably sees things through to the end, ironing out the wrinkles and ensuring everything works well.
	Plant	Solves difficult problems with original and creative ideas.
	Monitor/Evaluator	Sees the big picture. Thinks carefully and accurately about things.

	Specialist	Has expert knowledge/skills in key areas and will solve many problems here.
	Coordinator	Respected leader who helps everyone focus on their task.
	Team worker	Cares for individuals and the team. Good listener and works to resolve social problems.
	Resource investigator	Explores new ideas and possibilities with energy and with others. Good networker. Can be too optimistic and lose energy after the initial flush.

To Whom?

What groups of people do you want to work with?
