

MISSION
(Our purpose; why we covenant together)

SEND International's mission is to mobilize God's people and engage the unreached in order to establish reproducing churches.

VALUES
(Our character; how we live as we pursue our mission)

- **URGENCY:** In light of the urgency of the hour and the lostness of people, we are committed to a life of obedience which calls us to endure hardship as soldiers of Jesus Christ in order to proclaim the gospel and see His church established.
- **DEPENDENCE:** We believe in the principle of our complete dependence on God for the supply of our resources and enablement of our ministry. We are dependent on the ministry of the Holy Spirit as He uses the written and spoken Word of God. We, therefore, hold the Bible to be our guide for faith and practice.
- **SERVANTHOOD:** As servants of our Lord Jesus Christ, we are committed to a life of giving ourselves for the sake of our brethren, coworkers and the community we serve, incarnating Christ's love by word and deed.
- **BELONGING:** We seek to develop an ethos which stresses the importance of each member of SEND and builds a spirit of teamwork and goal ownership so that each member has a sense of belonging.
- **INTEGRITY:** We strive to live morally above reproach, embracing honesty and fairness in all our relationships. We are committed to the highest standards of ethics throughout the organization and all aspects of ministry.
- **UNITY IN DIVERSITY:** We incorporate missionaries of many nationalities in the task of discipling the nations. Our desire is to have a multinational membership working together in harmony towards the fulfillment of the Great Commission

ACCOUNTABILITY QUESTIONS
(Are we living and serving in a way that glorifies God?)

- Have you been faithful in keeping your time with the Lord – the reading of God's Word, prayer, meditation and sabbath rest?
- How is your relationship with your spouse and children or parents and siblings?
- When was the last time you shared the Gospel? Are you discipling or taking steps to disciple other men/women?
- Have you been struggling with impure thoughts? Have you inappropriately looked at anyone or anything (Internet, media, etc.) which would bring shame to the Lord? Are all of your relationships above reproach?
- Are there any problems, challenges, or stresses in your personal life or ministry?
- Are you intentionally carrying out the *mission* of SEND, and living by the *values* of the SEND community with whom you have made a covenant?
- Have you lied or compromised your answer to any of the above questions?
