

Facilitator: Ted Szymczak

Description

This session addresses facilitating church planting in our context and reviews what the scripture says about the centrality of the Church in God's overall plan. This session concludes with an interactive presentation of the Scoggins and Rockford church planting phases using an agricultural analogy.

Objectives:

1. Each participant will have a deeper appreciation for the role of the Church in God's plan for reaching the world.
2. Participants will be able to list the 6 Church planting phases.
