

# Mobilize

## Stories

As mobilizers one of the main things we do is cast vision .... helping people see something that can't see. A great way to do this is through stories. If you click here... [\\*\\*Stories from our fields\\*\\*](#) .... you will find stories from SEND's missionaries. They are organized by country so that you can easily find what you need. You can also find up to date stories from SEND's missionaries on the [SEND.org blog](#).

- [Global Positioning Survey](#) This is a fun exercise that can be used with an individual or group to help them think through their passions and preferences in serving.
- The Strategy Map was created by a SIM mobilizer to help him talk with people during the first meeting and give the a road map of how they can get from where they are to where they feel God is calling them. Included here is a brief description ([Strategy Map Description](#) ) and a fill in the blank form ([Strategy Map Fill-in Sheet](#) ).

## Short-term

- [Debriefing Questions](#)
- [What SEND can do for your teams brochure](#) This is an older brochure from the US office, but it gives a good list of things that SEND can do for a church if their short-term team comes through the US office.
